Dear Madam:

1) My name is Patrice Jeffries. I am Chief Financial Officer for Integrated Data Corporation ("IDC"), the intended assignee of the above-referenced patent application. IDC has given Michael G. Oleinik of McDermott, Will & Emery power of attorney to prosecute the above-referenced application on behalf of IDC.

2) Sanjeev Mishra is a joint inventor on the above-referenced application. After work had begun on the application, but before the application was filed, Mr. Mishra's work with IDC had been discontinued. Discussions ensued with Mr. Mishra regarding the possibility of continued employment. The discussions were terminated due to disagreements regarding certain unrelated aspects of Mr. Mishra's employment contract. Mr. Mishra has, as a result of these disagreements, taken a position adverse to IDC and has threatened to perform certain acts that would be detrimental to IDC. In part as a result of these disagreements, telephonic discussions with Mr. Mishra have been discontinued. IDC had to retain separate legal counsel to attempt to address this dispute between IDC and Mr. Mishra.

3) The last known address of Sanjeev Mishra is:

2205 North Grandview Road
Orange, CA 92867
United States of America

4) To preserve IDC's rights, to prevent irreparable injury to IDC by virtue of losing patent protection with respect to the subject patent application, and as required by 37 C.F.R. § 1.47, IDC has made diligent efforts to contact Mr. Mishra and secure his joinder in the application as a joint inventor. Mr. Mishra has failed to respond to IDC's three written requests to execute a declaration attesting to the novelty and accuracy of the above-referenced application and his inventive contribution thereto. I have outlined the circumstances surrounding the first two written requests in my earlier affidavit dated August 3, 2004 and filed the Patent and Trademark office on August 6, 2004 in connection with IDC's Petition Under 37 C.F.R. § 1.47.

5) With respect to the third and most recent request, I sent Mr. Mishra a letter on December 21, 2004 (attached as Exhibit 1) enclosing the patent specification, claims, and drawings, and the declaration. The letter specifically requested (1) his thorough review of the application including the specification, claims and drawings, and (2) his signature of the declaration. Mr. Mishra neither responded to my letter nor executed the declaration. To the contrary, I am aware that subsequent to receiving my letter dated December 21, 2004, Mr. Mishra contacted one of our attorneys, Michael G. Oleinik, and specifically informed Mr. Oleinik of Mr. Mishra's refusal to cooperate with IDC. Mr. Oleinik had also submitted a written request to Mr. Mishra (independent of IDC's efforts) on or about the same date as the letter I sent. I understand that Mr. Oleinik's letter to Mr. Mishra also included a copy of the patent claims, specification, and drawings, as well as the declaration and an assignment, with a request for Mr. Mishra to review the patent application and execute the declaration.

6) Mr. Mishra executed a Consulting Agreement on October 1, 2002 (attached hereto as Exhibit 2). That agreement provides that all work product created by Mr. Mishra in the course of his affiliation with IDC remains the sole property of IDC (see, *e.g.*, paragraph 10).

7) I hereby declare: All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true. These statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or an patent issued thereon. I certify on behalf of IDC that the foregoing statements are true and correct.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Company and Consultant agree as follows:

II. AGREEMENT

1. Provision of Services.

(ii) The Board of Directors (the "Board" which term shall include an authorized committee of the Board of Directors) and shareholders of the Company have heretofore adopted an Incentive Stock Plan for the year 2002 (the "Plan"), pursuant to which this Option is being granted; and

(iii) The Board has authorized the granting to Optionee of a non-qualified/non-statutory stock option ("Option") to purchase shares of common stock of the Company ("Stock") upon the terms and conditions hereinafter stated and pursuant to an exemption from registration under the Securities Act of 1933, as amended (the "Securities Act") provided by Rule 501 thereunder.

C. Shares; Price.

The Company hereby grants to Optionee the right to purchase, upon and subject to the terms and conditions herein stated, the number of shares of Stock set forth in Article 7.A.(iii) above (the "Shares") for cash (or other consideration as is authorized under the Plan and acceptable to the Board, in their sole and absolute discretion) at the price per Share set forth in Article 7.A.(iv) above (the "Exercise Price"), such price being not less than eighty-five percent (85%) of the fair market value per share of the Shares covered by this Option as of the date of this Agreement (unless Optionee is the owner of Stock possessing ten percent (10%) or more of the total voting power or value of all outstanding Stock of the Company, in which case the Exercise Price shall be no less than one hundred ten percent (110%) of the fair market value of such Stock).

D. Term of Option;

Continuation of Service. This Option shall expire, and all rights under it to purchase the Shares shall terminate, 2 years from the date of this Agreement. Nothing contained in this Agreement shall be construed to interfere in any way with the right of the Company or its shareholders to remove or not elect Optionee as a Director of the Company, or to increase or decrease the compensation of Directors from the rate in effect at the date of this Agreement.

E. Vesting of Option.

Subject to the provisions of Articles 8 and 9 of this Agreement, this Option shall become exercisable during the term that Optionee serves as a Consultant of the Company in four equal quarterly installments of twenty-five percent (25%) of the Shares covered by this Option, the first installment to be exercisable on the first anniversary of the date of this Option. The installments shall be cumulative (that is, this Option may be exercised, as to any or all shares covered by an installment, at

I. No Rights as Shareholder.

Optionee shall have no rights as a shareholder with respect to the Shares covered by any installment of this Option until the effective date of issuance of the Shares following exercise of this Option, and no adjustment will be made for dividends or other rights for which the record date is prior to the date such stock certificate or certificates are issued except as provided in Article 7.A. of this Agreement.

J. Recapitalization.

Subject to any required action by the shareholders of the Company, the number of Shares covered by this Option, and the Exercise Price thereof, shall be proportionately adjusted for any increase or decrease in the number of issued shares resulting from a subdivision or consolidation of shares or the payment of a stock dividend, or any other increase or decrease in the number of such shares effected without receipt of consideration by the Company; provided however that the conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration by the Company."

In the event of a proposed dissolution or liquidation of the Company, a merger or consolidation in which the Company is not the surviving entity, or a sale of all or substantially all of the assets or capital stock of the Company (collectively, a "Reorganization"), this Option shall terminate immediately prior to the consummation of the proposed action, unless otherwise provided by the Board; provided, however, if Optionee shall be a Director at the time the Reorganization is approved by the stockholders, Optionee shall have the right to exercise this Option as to all or any part of the Shares, without regard to the installment provisions of Article 7.E. for a period commencing no later than 30 days prior to the consummation of such Reorganization and ending as of the Reorganization or the expiration of this Option, whichever is earlier, subject to the consummation of the Reorganization. In any event, the Company shall notify Optionee, at least 30 days prior to the consummation of such Reorganization, of his or her exercise rights, if any, and that the Option shall terminate upon the consummation of the Reorganization. Subject to any required action by the shareholders of the Company, if the Company shall be the surviving entity in any merger or consolidation, this Option thereafter shall pertain to and apply to the securities to which a holder of Shares equal to the Shares subject to this Option would have been entitled by reason of the merger or consolidation, and the installment provisions of Article 7.E. shall continue to apply. In the event of a change in the shares of the Company as presently constituted, which is limited to a change of all of its authorized Stock without par value into the same number of shares of Stock with a par value, the shares

resulting from any such change shall be deemed to be the Shares within the meaning of this Option. To the extent that the foregoing adjustments relate to shares or securities of the Company, such adjustments shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided in this Agreement, Optionee shall have no rights by reason of any subdivision or consolidation of shares of Stock of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class, and the number and price of Shares subject to this Option shall not be affected by, and no adjustments shall be made by reason of, any dissolution, liquidation, merger, consolidation or sale of assets or capital stock, or any issue by the Company of shares of stock of any class or securities convertible into shares of stock of any class. The grant of this Option shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes in its capital or business structure or to merge, consolidate, dissolve or liquidate or to sell or transfer all or any part of its business or assets.

K. Taxation upon Exercise of Option.

Optionee understands that, upon exercise of this Option, Optionee will recognize income, for Federal and state income tax purposes, in an amount equal to the amount by which the fair market value of the Shares, determined as of the date of exercise, exceeds the Exercise Price. The acceptance of the Shares by Optionee shall constitute an agreement by Optionee to report such income in accordance with then applicable law and to cooperate with Company in establishing the amount of such income and corresponding deduction to the Company for its income tax purposes. Withholding for federal or state income and employment tax purposes will be made, if and as required by law, from Optionee's then current compensation, or, if such current compensation is insufficient to satisfy withholding tax liability, the Company may require Optionee to make a cash payment to cover the liability as a condition of the exercise of this Option.

L. Modification, Extension and Renewal of Options.

The Board or Committee, as described in the Plan, may modify, extend or renew this Option or accept its surrender (to the extent not yet exercised) and authorize the granting of a new option in substitution for it (to the extent not yet exercised), subject at all times to the Plan, the Code and the Corporate Securities Rules of the State of Nevada. Notwithstanding the foregoing provisions of this Article 7.L., no modification shall, without the consent of the Optionee, alter to the Optionee's detriment or impair any rights of Optionee under this Agreement.

M. Investment Intent; Restrictions on Transfer.

(a) Optionee represents and agrees that if Optionee exercises this Option in whole or in part, Optionee will in each case acquire the Shares upon such exercise for the purpose of investment and not with a view to, or for resale in connection with, any distribution thereof; and that upon the exercise of this Option in whole or in part, Optionee (or any person or persons entitled to exercise this Option under the provisions of Article 7.F. of this Agreement) shall furnish to the Company a written statement to such effect, satisfactory to the Company in form and substance. If the Shares represented by this Option are registered under the Securities Act, either before or after the exercise of this Option in whole or in part, the Optionee shall be relieved of the investment representation and agreement and shall not be required to furnish the Company with the written statement.

(b) Optionee further represents that Optionee has had access to the financial statements or books and records of the Company, has had the opportunity to ask questions of the Company concerning its business, operations and financial condition, and to obtain additional information reasonably necessary to verify the accuracy of such information, and further represents that Optionee (either alone or in conjunction with his or her professional advisers) has such experience in and knowledge of investment, financial and business matters with respect to investments similar to the stock of the Company that Optionee is capable of evaluating the merits and risks thereof and has the capacity to protect his or her own interest in connection therewith.

(c) Unless and until the Shares represented by this Option are registered under the Securities Act, all certificates representing the Shares and any certificates subsequently issued in substitution therefore and any certificate for any securities issued pursuant to any stock split, share reclassification, stock dividend or other similar capital event shall bear legends in substantially the following form:

"THESE SECURITIES HAVE NOT BEEN REGISTERED OR OTHERWISE QUALIFIED UNDER THE SECURITIES ACT OF 1933 (THE "SECURITIES ACT") OR UNDER THE APPLICABLE SECURITIES LAWS OF ANY STATE. NEITHER THESE SECURITIES NOR ANY INTEREST THEREIN MAY BE SOLD, TRANSFERRED, PLEDGED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF REGISTRATION UNDER THE SECURITIES ACT OR ANY APPLICABLE SECURITIES LAWS OF ANY STATE, UNLESS PURSUANT TO EXEMPTIONS THEREFROM."

"THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE BEEN ISSUED PURSUANT TO THAT CERTAIN NONSTATUTORY STOCK OPTION AGREEMENT DATED

BETWEEN THE COMPANY AND THE ISSUEE WHICH RESTRICTS THE TRANSFER OF THESE SHARES WHICH ARE SUBJECT TO REPURCHASE BY THE COMPANY UNDER CERTAIN CONDITIONS."

The certificates shall bear such other legend or legends, as the Company and its counsel deem necessary or appropriate. Appropriate stop transfer instructions with respect to the Shares have been placed with the Company's transfer agent.

N. Standoff Agreement.

Optionee agrees that, in connection with any registration of the Company's securities under the Securities Act, and upon the request of the Company or any underwriter managing an underwritten offering of the Company's securities, Optionee shall not sell, short any sale of, loan, grant an option for, or otherwise dispose of any of the Shares (other than Shares included in the offering) without the prior written consent of the Company or such managing underwriter, as applicable, for a period of up to 1 year following a) the effective date of registration of any offering, or b) the full and final payment to Company by Optionee of all consideration due under the Option for the shares, whichever comes first.

O. Restriction Upon Transfer.

The Shares may not be sold, transferred or otherwise disposed of and shall not be pledged or otherwise hypothecated by the Optionee except as provided in this Agreement.

(a) Repurchase Right on Termination Other Than by Removal.

For the purposes of this Article, a "Repurchase Event" shall mean an occurrence of one of the following:

- (i) termination of Optionee's service as a Consultant, Advisor, Director, or Employee;
- (ii) death of Optionee;
- (iii) bankruptcy of Optionee, which shall be deemed to have occurred as of the date on which a voluntary or involuntary petition in bankruptcy is filed with a court of competent jurisdiction;
- (iv) dissolution of the marriage of Optionee, to the extent that any of the Shares are allocated as the sole and separate property of Optionee's spouse pursuant thereto (in which case, this Article shall only apply to the Shares so affected); or
- (v) any attempted transfer by the Optionee of Shares, or any interest therein, in violation of this Agreement.

Upon the occurrence of a Repurchase Event, and upon mutual agreement of the Company and Optionee, the Company may repurchase all or any portion of the Shares of Optionee at a price equal to the fair value of the Shares in accordance with the Corporate Securities Rules of the State of Nevada as of the date of the Repurchase Event.

(b) Repurchase Right on Removal.

In the event Optionee is removed pursuant to the Nevada Revised Statutes on misconduct and/or qualifications, or Optionee voluntarily resigns prior to the date upon which the last installment of Shares becomes exercisable pursuant to Article 7.E., then the Company shall have the right (but not an obligation) to repurchase Shares of Optionee at a price equal to the Exercise Price. This right of the Company to repurchase Shares shall apply to one hundred percent (100%) of the Shares for 1 year from the date of this Agreement; and shall thereafter lapse ratably in equal annual increments on each anniversary of the date of this Agreement over the term of this Option specified in Article 7.D. In addition, the Company shall have the right, in the sole discretion of the Board and without obligation, to repurchase upon removal or resignation all or any portion of the Shares of Optionee, at a price equal to the fair value of the Shares as of the date of removal or resignation, which right is not subject to the foregoing lapsing of rights. In the event the Company elects to repurchase the Shares, any stock certificates representing the same shall forthwith be returned to the Company for cancellation.

(c) Exercise of Repurchase Right.

Any Repurchase Right under Articles 7.O.(a) or 7.O.(b) shall be exercised by giving notice of exercise as provided herein to Optionee or the estate of Optionee, as applicable. The right shall be exercised, and the repurchase price shall be paid, by the Company within a 90- day period beginning on the date of notice to the Company of the occurrence of the Repurchase Event (or in the case of termination or cessation of services as Director, beginning upon the occurrence of the Repurchase Event). The repurchase price shall be payable only in the form of cash (including a check drafted on immediately available funds) or cancellation of purchase money indebtedness of the Optionee for the Shares. If the Company cannot purchase all such Shares because it is unable to meet the tests set forth in the Nevada Revised Statutes on solvency, the Company shall have the right to purchase as many Shares as it is permitted to purchase under such Articles. Any Shares not purchased by the Company under shall no longer be subject to the provisions of this Article 7.O.(c).

(d) Right of First Refusal.

In the event Optionee desires to transfer any Shares during his or her lifetime, Optionee shall first offer to sell the Shares to the Company. Optionee shall deliver to the Company written notice of the intended sale, specifying the number of Shares to be sold and the proposed purchase price and terms of payment, and granting the Company an option for a period of 30 days following receipt of the notice to purchase the offered Shares upon the same terms and conditions. To exercise the option, the Company shall give notice of that fact to Optionee within such 30-day notice period and agree to pay the purchase price in the manner provided in the notice. If the Company does not purchase all of the Shares so offered during the option period, Optionee shall be under no obligation to sell any of the offered Shares to the Company, but may dispose of such Shares in any lawful manner during a period of 180 days following the end of the notice period, except that Optionee shall not sell any of the Shares to any other person at a lower price or upon more favorable terms than those offered to the Company.

(e) Acceptance of Restrictions.

Acceptance of the Shares shall constitute the Optionee's agreement to such restrictions and the legending of his or her certificates with respect to the restrictions. Notwithstanding the restrictions, however, so long as the Optionee is the holder of the Shares, or any portion of them, he or she shall be entitled to receive all dividends declared on and to vote the Shares and to all other rights of a shareholder with respect to the Shares.

(f) Permitted Transfers.

Notwithstanding any provisions in this Article 7.O. to the contrary, the Optionee may transfer Shares subject to this Agreement to his or her parents, spouse, children, or grandchildren, or a trust for the benefit of the Optionee, or a Company or other entity controlled by the Optionee, or any such transferee or transferees; provided, that the permitted transferee or transferees shall hold the Shares subject to all the provisions of this Agreement (all references to the Optionee in this Agreement shall in such cases refer to the permitted transferee, except in the case of Article 7.O.(a).(iv) where the permitted transfer shall be deemed to be rescinded); and provided further, that notwithstanding any other provisions in this Agreement, a permitted transferee may not, in turn, make permitted transfers without the written consent of the Optionee and the Company.

(g) Release of Restrictions on Shares.

All other restrictions under this Article 7.O. shall terminate 5 years following the date of this Agreement, or when the Company's securities are publicly traded, whichever occurs earlier.

P. Agreement Subject to Plan; Applicable Law.

This Option is made pursuant to the Plan and shall be interpreted to comply therewith. A copy of the Plan is available to Optionee, at no charge, at the principal office of the Company. Any provision of this Option inconsistent with the Plan shall be considered void and replaced with the applicable provision of the Plan. This Option has been granted, executed and delivered in the State of California, and the interpretation and enforcement shall be governed by the laws thereof and subject to the exclusive jurisdiction of the courts therein.

8. Termination of Agreement.

Either party has the right to terminate this Agreement without cause by providing 60 days prior written notice. In the case of breach, Company or Consultant may terminate this Agreement for cause immediately upon receipt of written notice to the other party. There shall be no liquidated damages to either party in the event of termination under this provision.

9. Notices.

Any and all notices or demands from one party to the other shall be in writing. Such notices shall be served either personally, by certified mail, return receipt requested, or by telephone facsimile transmission ("Fax"). If served personally, or by Fax, notice shall be conclusively deemed effective upon receipt. If served by certified mail, notice shall be conclusively deemed effective on the date of the return receipt. Any notice or demand may be given to the parties at the following addresses, or at such other addresses as the parties may designate in writing by notice to the other party from time to time:
